PowerPoint materials from various clients

This is a compilation of various PowerPoint presentations

AMERICAN COUNCIL OF ENGINEERING COMPANIES of Massachusetts

The first task for surveying the tunnel was to establish the horizontal and vertical control network

Global Positioning System (GPS) surveys

JNEI created a first-order horizontal control network

Quicker, more accurate, less costly, less labor-intensive results

JUDITH NITSCH ENGINEERING INC.

METROWEST

Three slides from an awards presentation done for Judith Nitsch Engineering.

AMERICAN COUNCIL OF ENGINEERING COMPANIES of Massachusetts

The Fayville Dam

Conducted 19 surveying campaigns to monitor the dam for deformations during the blasting of Shaft E

JUDITH NITSCH ENGINEERING INC.

METROWEST

I created all the illustrations and photomontage.

A WORLD-CLASS CITY WITH A FRONTIER

SPiRiT

DENVER INTERNATIONAL AIRPORT

AIR FRANCE

AMERICAN COUNCIL OF ENGINEERING COMPANIES of Massachusetts

Surveying within the tunnel

Gyromat sets the heading

Two traverses to counteract the temperature bending of the laser

Correcting the TBM heading: 4 feet off course, 1 mile from shaft

JUDITH NITSCH ENGINEERING INC.

METROWEST

Three slides from a presentation created for SH&E on behalf of Denver International Airport, for a project being sold to Air France.

Denver - Paris Proposed Route Forecast

Denver International Airport is built to accommodate 730,000 aircraft operations and 55,000,000 passengers annually and Master Planned to double in capacity.

DENVER INTERNATIONAL AIRPORT

AIR FRANCE

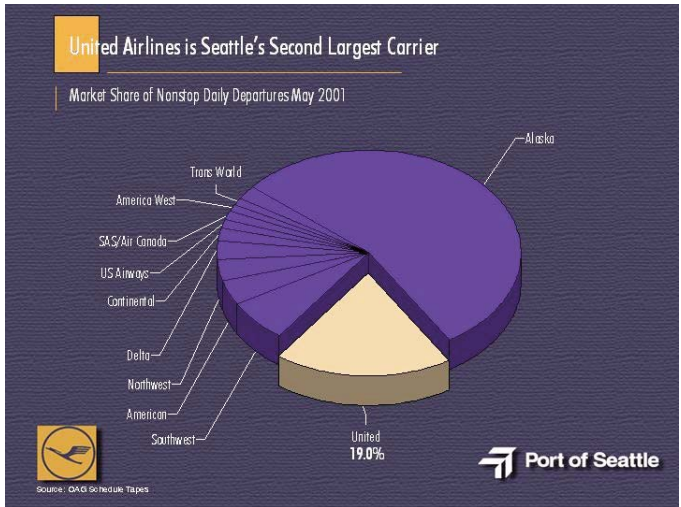

Denver's Paris O&D is Larger and Growing Faster than Seattle's and is Twice that of Salt Lake City's

City	1995 (%)	2000 (%)
Denver	~95	~95
Seattle	~95	~90
Salt Lake City	~45	~50

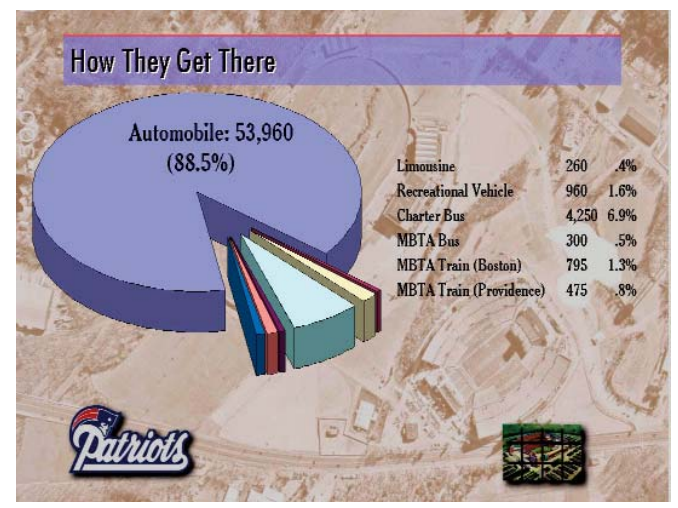

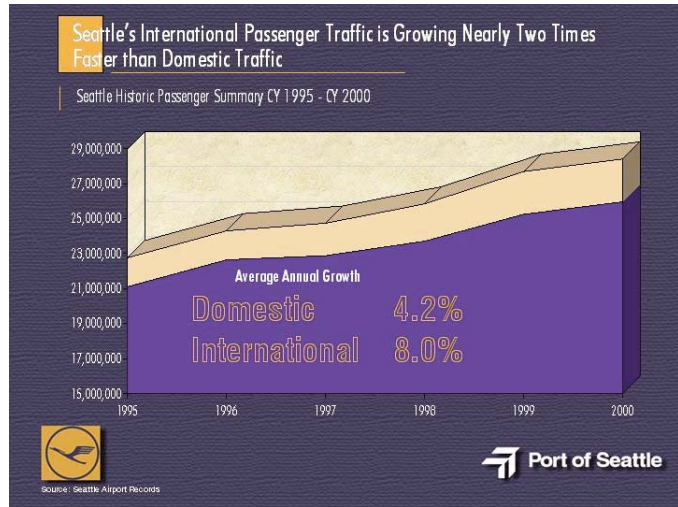

DENVER INTERNATIONAL AIRPORT

AIR FRANCE

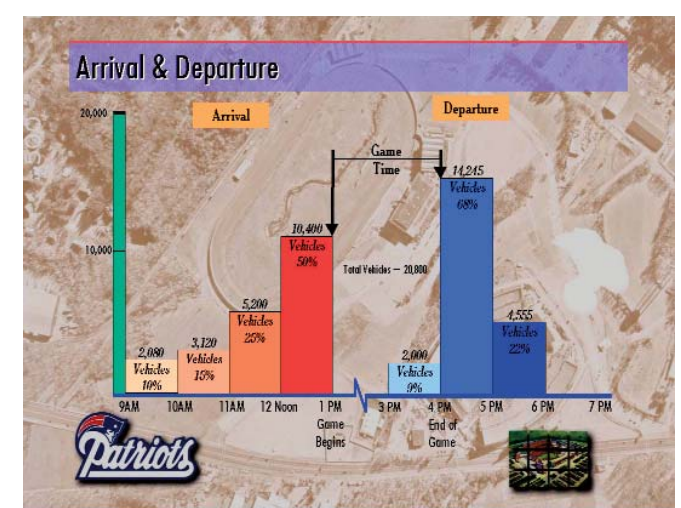

PowerPoint materials from various clients

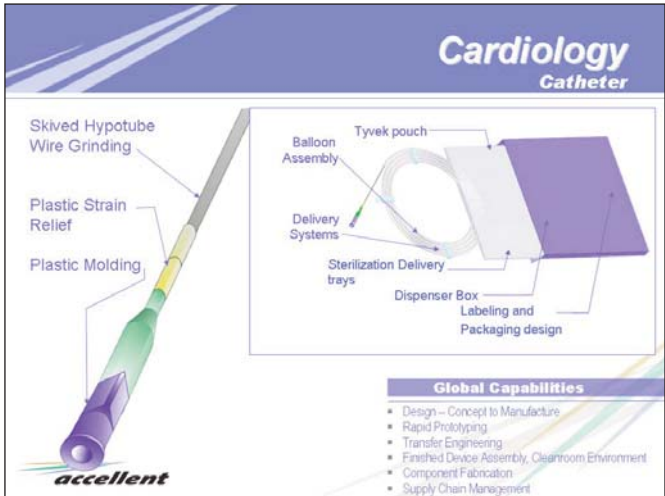

Three slides made for SH&E on behalf of the Port of Seattle, for a project with Luftansa Airlines

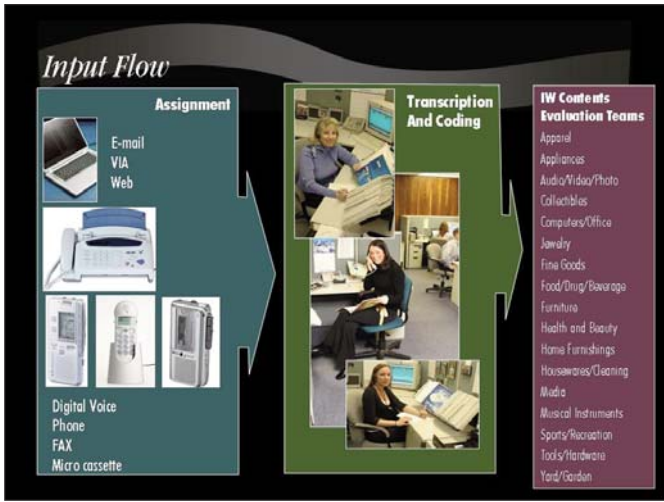

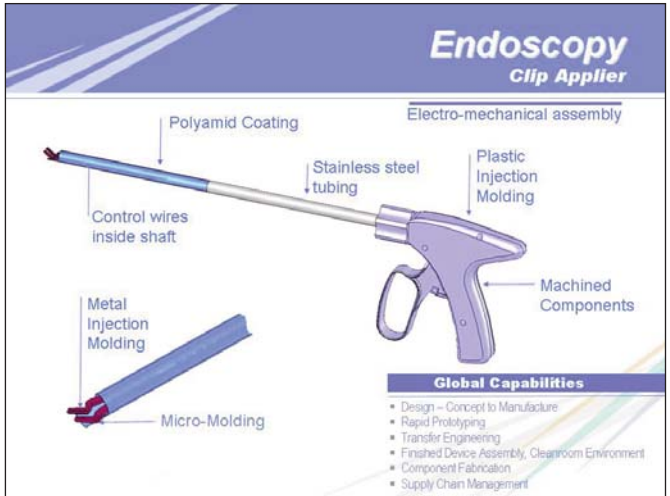

Slides made for Rizzo Associates for use in the hearings for the relocation of the New Patriots Stadium.

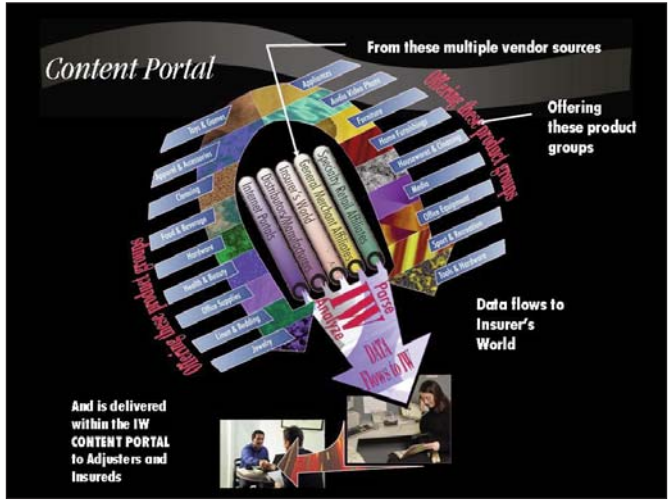

PowerPoint materials from various clients

Portion of a PowerPoint presentation made for Accellent, a medical devices firm. I also illustrated the Cardiology Catheter wand pictured above.

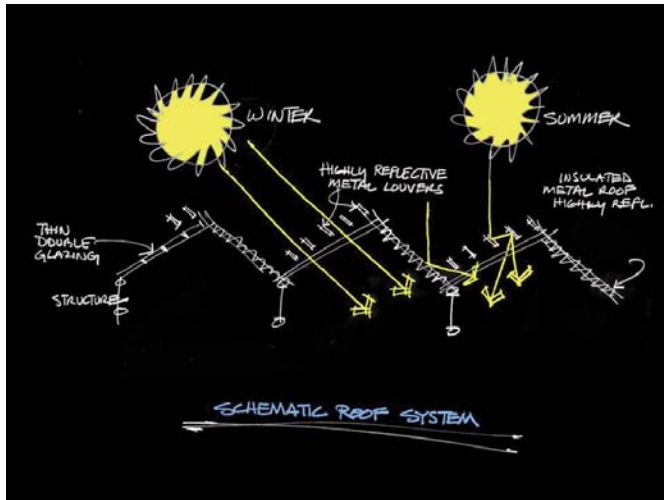

Portion of a PowerPoint presentation made for Insurer's World. I created a complete collateral package for them, including

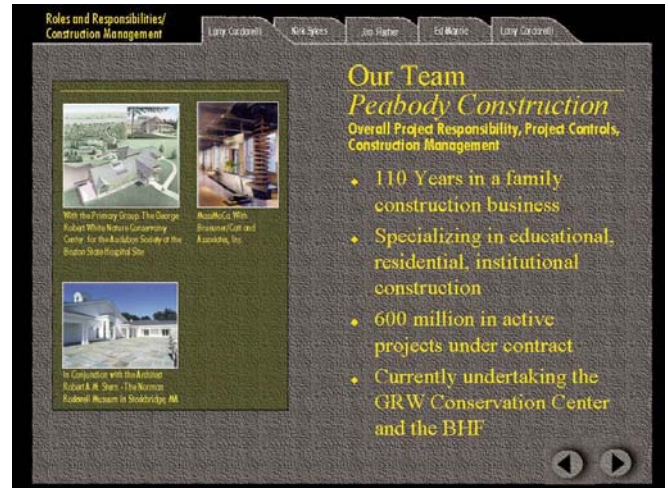

brocures, a new logo, a trade show exhibit and numerous PowerPoint presentations.

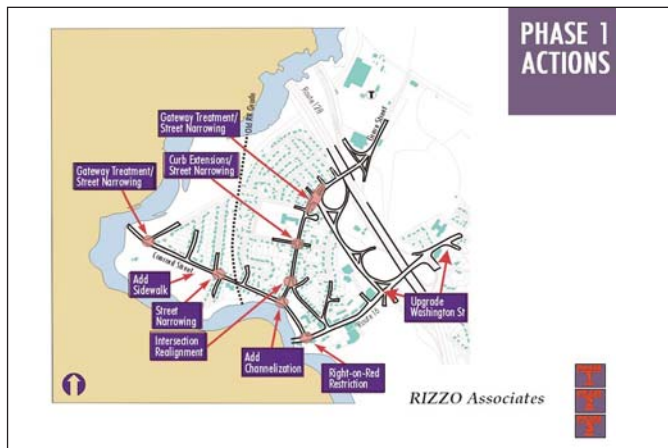

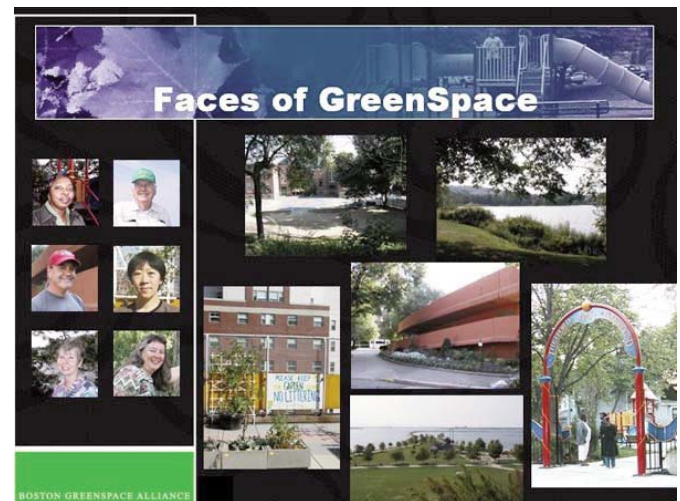

PowerPoint materials from various clients

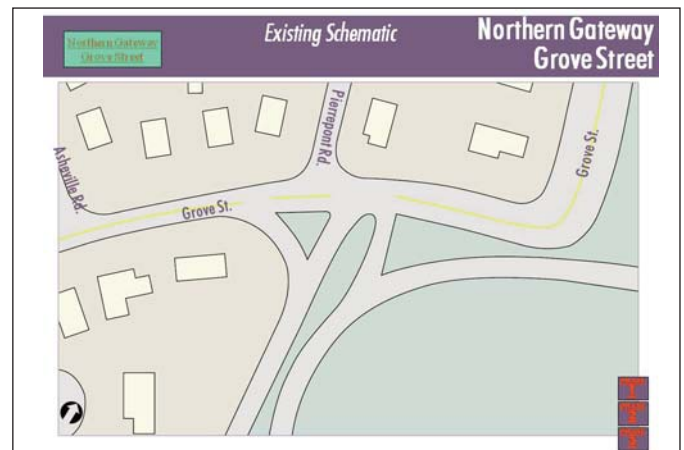

A PowerPoint presentation made for Peabody construction presented to the City of Providence, RI for a new Botanical garden in Roger Williams Park.

A PowerPoint presentation created for the Boston GreenSpace Alliance's Annual Awards dinner

A PowerPoint presentation created for Rizzo Associates in support of a traffic plan for the City of Newton. This was a "Hub and Spokes" presentation. This map served as the central question

screen, questions regarding each of these intersection then went to further screens discussing the pros and cons of each of the improvements for that area.
